

A NIGHT OF CELEBRATION

Thank you to all who attended the second annual Arjun Gupta Foundation event. The night welcomed over 200 guests to celebrate the life and legacy of Arjun Gupta. Guests were greeted by the musical talents of the Bill King Trio and then serenaded by the talented Sam Drysdale.

The evening experienced generosity by donors and bidders of both our live and silent auctions. We were honoured to receive "Tree of Life", a one of kind oil painting donated by Jordin Mimran. Jordin was onsite to showcase his art and the piece was successfully won by Akash Tewari, thank you to both Jordin and Akash. Guests also had the opportunity to bid on a VIP Yacht experience donated by Ash Singh and successfully won by Binod Singh, thank you to both.

The Squash Showcase featured matches between 2025 AGF Bursary Recipients Keira Hickox and Nikki Shemirani. The female match was followed by the male 2025 AGF Bursary Recipients Rohan Paliwal and Youssef Taha.

The feature match of the evening was between 2-Time Senior Canadian Champion, Bronze medalist at the 2010 World Junior Championships with teammate Arjun Gupta at Cornell University, Nicholas Sachvie and 2025 Canadian U23 Champion, 2024 Canadian U19 Champion, Wasey Maqsood.

We are honoured and humbled to honour Arjun with his family and friends and help his memory live on and impact the lives of young Squash players across Canada.

Thank you!
